2018 UPS Contract Proposal Meeting –Update

Brothers and Sisters,

I supplied our UPS Shop Stewards with over 1,000 flyers to pass along to you announcing our 2018 UPS Contract Proposal meeting which we held on Saturday, August 5, 2017. I am happy to report our meeting was attended by some very dedicated and very committed UPS members from all buildings in New Hampshire. Some very good sound proposals were brought forward at this meeting. Proposals on wage increases, healthcare, pensions, holidays, and starting pay for our Part-time members, excessive overtime, etc., were taken from our UPS members. It's pretty obvious that everyone is busy with life these days and typically in years past every contract time we get input from our UPS members primarily through the contract proposal meeting process only. Times change so we must change with them. This time I have decided to do something different in order to get the maximum input possible from our UPS members.

I am leaving the window open for new proposals until **August 14, 2017.**

So if you were unable to get to our proposal meeting there is still time to submit a new proposal/idea for consideration at these negotiations. Direct it to my office 603-625-9731 Ext 18 or via email foley@teamsters633.com.

It's our contract and we will fight for it!

Fraternally,

Kevin P. Foley
